

Conservation Directory

for Buckinghamshire &

Milton Keynes

A resource for organisations, community groups, businesses, land owners, and individuals looking to get involved in conservation in their patch.

Produced by the Buckinghamshire & Milton Keynes Natural Environment Partnership.
This document is available to download from our website: www.bucksmknep.co.uk
For additions, revisions, or more information please contact: nep@bucksc.gov.uk

Directory of conservation and volunteering opportunities in Buckinghamshire & Milton Keynes, compiled by the Natural Environment Partnership.

The information is correct at time of print, but please check details with individual organisations before setting out for any advertised task.

If you are involved with a conservation or environmental organisation not on this list, then please be in touch; our contact details are below.

The Buckinghamshire & Milton Keynes Natural Environment Partnership brings together a diverse range of individuals, businesses and organisations, working in partnership to drive positive change for the local natural environment. We are the Local Nature Partnership for Bucks & Milton Keynes.

We appreciate your feedback. If you would like to recommend an addition, revision or omission, then please contact us:

Website: www.bucksmknep.co.uk Email: nep@bucksc.gov.uk

Berks, Bucks & Oxon Wildlife Trust

The Berks, Bucks & Oxon Wildlife Trust (BBOWT) is one of 47 Wildlife Trusts working across the UK to achieve the shared aim of securing a better future for wildlife. Volunteer with us to meet new people, develop new skills, gain valuable experience and benefit the wildlife in Buckinghamshire.

Contact: volunteering@bbowt.org.uk

Website: www.bbowt.org.uk/how-you-can-help/volunteer/volunteer-Buckinghamshire

Area: All - AVDC, CDC, MKC, SBDC, WDC

Opportunities: There are regular work parties at sites across the county, including Bacombe Hill, College Lake, Dancersend, Finemere Woods, Little Linford Wood, Upper Ray, and Weston Turville Reservoir. Other opportunities include events and wildlife surveying.

Buckinghamshire Archaeological Society

The Society was founded in 1847 and is one of the oldest in the country. It is the senior body in the County in the fields of Archaeology, Architecture, and Local History. It has an active specialist section for Active Archaeology, and is host to the Bucks Local History Network which runs a conference every year. The Society covers the whole of the old historic county of Buckinghamshire from Milton Keynes in the north to Eton in the south.

Contact: County Museum, Church Street, Aylesbury, HP20 2QP

help@bucksas.org.uk

Website: www.bucksas.org.uk

Area: All - AVDC, CDC, MKC, SBDC, WDC

Opportunities: There is a range of activities, many of which are open to non-members including a winter lecture programme, outings to historic sites, and meetings.

[Please visit the website for full details.](#)

Historic environment

Buckinghamshire Fungus Group

We are an independent voluntary group of enthusiasts for mushrooms, toadstools and other fungi. Join us for informal, family-friendly walks in Buckinghamshire woodland and countryside to find, discover and record fungi. Recognising and recording the fungi, as part of a network of recording groups, helps us support the conservation of these vital organisms and is great fun! Newcomers are encouraged to learn to identify fungi with help from more experienced members. Please explore our website to learn more.

Milton Keynes Natural History Society

Founded in 1968, Milton Keynes Natural History Society is one of the most active societies of its kind in the country. Our members range from experienced expert naturalists to ordinary people interested in wildlife and nature. We have members interested in birds, flowers, butterflies, other insects and spiders, mammals, amphibians and reptiles, fungi, mosses and many other areas of natural history. We welcome new members of all ages and all levels of natural history knowledge. Whatever aspect of nature you are interested in, you will find kindred spirits in our Society to share, and further, your interest.

Contact: Linda Murphy, Julie Lane
info@mknhs.org.uk

Website: mknhs.org.uk

Area: MKC

Opportunities: Weekly meetings take place at the Cruck Barn, Bradwell Abbey during the winter. In the summer, weekly field meetings are held at sites of wildlife interest across the Milton Keynes area.
