

Preparing the ground for
an LNRS action network

Purpose of the afternoon

- Learn about each other
- Start to think about how we might work together

In twos / threes

One person grab a card, ask your colleagues the questions on it.

When you hear the signal, put the card down – another person in the group grabs a card, and asks a question

and so on...

Find a geographic area or a priority that you are interested in

See who you find there, share a bit of yourself

- **Learn about each other**
- **Start to think about how we might work together**
- Use your books
- Leave your calling card!

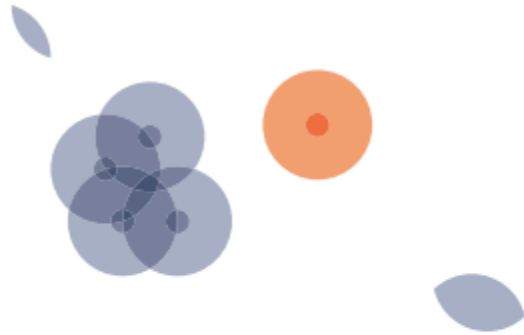

Please visit other tables and leave your calling card!
